

## **Miramichi Valley Bible Camp Operation Plan & Protocols for 2021 - Updated September 24, 2021**

State of Emergency once again enacted in NB.

- Masks are once again mandatory in all public indoor areas. We ask that you please come with a mask, but if you forgot yours, we have some available.
- Proof of Vaccination is now required from the Province of NB. All Guest Groups will be required to ask for Proof of Vaccination from their guests prior to anyone entering the building.
- For those stopping by the camp during the week, we ask that you please call Angela ahead of time, and she will meet you outside.
- We ask everyone coming into the Camp to please sanitize their hands.
- If anyone has 2 of the following symptoms, they are asked to remain home, or will be sent home if symptoms present themselves at camp. Symptoms include:
  - Fever (signs of fever)
  - Runny Nose
  - Headache
  - New onset of cough or exacerbation of chronic cough
  - Sore throat
  - New onset of muscle pain
  - Loss of taste or smell
  - Diarrhea
  - Child displaying purple toes or fingers, even if it is the only symptom

If you have any questions or concerns, please call our Executive Director, Angela at 506-962-5370.
